

We Care We Discover We Lead

LILY'S EARLY CHILDHOOD CENTER

"OUR TASK, REGARDING CREATIVITY,
IS TO HELP CHILDREN CLIMB THEIR OWN MOUNTAINS,
AS HIGH AS POSSIBLE."

– Loris Malaguzzi

OUR PURPOSE

Lily's Nursery LLC is a new, standard, and a full-service nursery in Dubai. It will be located Jumeirah 2 and will offer childcare services for kids between the ages of 45 days to 4.

Inspired by the Reggio Emilia's approach, Lily's accommodates children from 1 year of age up to 4 year old, where teachers base their lessons on children's needs and interests.

WHAT WE LEARN

Our well educational curriculum coupled with a designed facility and a low teacher: student ratio supports us in achieving a high-quality service for the children and the parents. The main objective is to appeal to the cognitive, emotional, physical, special, and social development of these children.

The Early Years Foundation Stage (EYFS) sets the standards that all early year's Staff must meet to ensure that children learn and develop well and are kept healthy and safe. It promotes teaching and learning to ensure children's 'nursery readiness' and gives children the broad range of knowledge and skills.

The Reggio Emilia approach is an innovative and inspiring approach to early childhood education which values the child as curious, talented, and spirited, rich with wonder and knowledge. that provide the right foundation for good future progress through nursery and life.

Simply a place where children are given the chances to achieve their full potentials.

OUR MISSION

Our mission is to provide children with a “home” away from home happy and positive environment where they pursue a curriculum to learn, grow, discover, explore, and become global learners through promoting cognitive, emotional, physical, and social development, and national identity.

OUR VISION

We provide for children ages 45 days to 4 a positive and fun environment that emphasizes the social, emotional, physical, and cognitive development of each child to discover, explore, and lead.

We strive to:

- To maintain friendly, secure and motivating surroundings that excites and gives confidence to children
- To care for every child in the nursery
- To build up a happy and positive atmosphere of interaction among all the kids and jointly advance the excellence of knowledge

We promise our parents to:

- Provide a welcoming, homely, caring, secure, and safe environment
- Welcome and respect different cultures and language, and to embrace the positive contributions diversity makes to the development of every child
- Work in partnership with our parents to ensure that every child's time at Lily's Early Childhood Center is happy and enriching, preparing them academically for kindergarten, and through involving parents in the decision making processes and the self-evaluation processes
- Employ staff who love working with children and who demand excellence from themselves and their children, acting as dynamic and inspirational role models
- Encourage independence and confidence as well as find the strengths and interest of every child
- Provide students who experience SEND (and any physical disability) with support and to actively participate in the process of learning and training to prepare them for kindergarten

OUR CLUBS

We compliment our curriculum by offering a wide range of extra-curricular activities which vary depending on the children's ages. We believe that this enhances children's experiences and skills and supports them in all areas of their development. We provide them on weekends and outside the nursery hours. Activities include language classes as Arabic and French, ballet, karate, little Muslim, yoga, art, cooking, and baby tennis.

We also have excursions to places of interest such as farms, zoos, or parks. This is always a fun and enjoyable experiences for our children and add up to their learning experiences and enhance their knowledge and understanding of the world and the community around them.

We also offer Winter, Spring, and Summer camps during the year. All camps are theme-based.
